The FDA was petitioned in 1998 to  
ban forced molting of Laying hens.

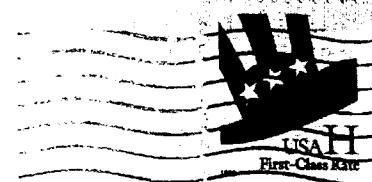

This unhealthy and cruel practice  
should be stopped. Please grant  
this petition without further delay.

Eggs are one of the first foods fed  
to babies and many older people  
depend upon them for nutrition. Eggs  
are becoming a frightening food and  
not everyone only eats them cooked hard.

Please give us back egg-rog, sunny-  
side-up and soft-boiled eggs from  
healthy - well-cared-for - happy chickens so

we can eat our eggs without guilt and  
fear - Lois Blumenthal 1132 Beechwood Dr.
